TROX® TECHNIK
The art of handling air

E-CO FRIENDLY DAY @ 25TH SEPT 2012

back to the overview

date	rubric
26.09.2012	TROX Care / company

BY: TROX CARE COMMITTEE

TROX Care's very first activity was E-Co Friendly Day which was held on 25th September 2012.

The committee had many ideas, however for a start we gave the focus on "air and environment"which is in line with one of our TROX objectives.

We chose to plant 2 trees inside our factory compound. We had the pleasure of our President & CEO Mr. Pieter Jooste and CCO Mr. Thomas Michelson from our HQ to plant the trees.

After a year now, the trees are growing very well. We are sure our "Mother Nature" will be happy with the addition of these trees on the earth.

We hope to plant more trees in the future.....
