The 31st ASHRAE Malaysia annual Dinner was successfully held on 14th October at Ballroom 1 & 2 , Setia City Convention Centre. This event was organized by ASHRAE committee members. The theme of the dinner this year is " Oscar Night - Shaping Tomorrow". The annual dinner organizing chairman, Ir. Lam Kim Seong had explained that the purpose of this theme is serve to remind each of us who is present that we could take up a role in advancing the HVAC industry towards the ultimate goal of word sustainability no matter you are from the fields of developers, suppliers, consultants, new entrants to the industry or even students members. As long as we are committed towards this role, regardless of any obstacles which may hinder us along the way, we are all "Oscar's Winner".

The event attracted approximately 720 guests with a total 72 banquet dinner tables. Guests made use of the event for business networking, met up with developers, consultants, contractors, suppliers and potential business partners.

TROX Malaysia being a gold sponsor for this annual event had set up a booth to promote and showcase our latest products. In addition, we do have eleven staffs joining the dinner. A series of entertainment programs had lined up during the night. The best dress award is one of the highlights of the night besides the lucky draw. We were proud with Max, our Senior Sales Manager who has awarded 2nd prize in best dress competition.

Guests were connected and entertained at the dinner which ended at 11.20pm.
