12.06.2014	company / press / Roadshow

On the 13th June 2014, TROX Malaysia attended the BCI Asia Award Night which was held at the Mandarin Oriental Hotel, Kuala Lumpur. TROX Malaysia was the Gold Sponsor of the FuturArc Green Leadership Awards for this event. TROX displayed its cut away chilled beam sample and X-Grille on its booth at the event. This year is BCI's 10th anniversary; the event was therefore a very special occasion with live bands performing throughout the evening until the early hours. The response from guests towards the TROX booth was positive as the TROX products on display created a lot of interest.

TROX therefore benefited from the high attendance at this exceptional event. Being a gold sponsor for the FuturArc Green Leadership awards, TROX Malaysia was entitled to show a 3 minutes video screening on the stage. TROX Malaysia presented the prize given to the winner of the FuturArc Green Leadership Awards 2014. The winning projects were House at Bangsar, Menara Binjai and Setia City Convention Centre.
