TROX Malaysia is turning 25 year of age in 2020. Quarter of a Century has passed since its first celebration, the Groundbreaking Ceremony of "Cutting the First Soil" on the 15 June 1994, followed by its inauguration in 1995.

In 2004, TROX Malaysia was appointed the Center of Excellence for Tunnel Ventilation Dampers within the TROX Group and today supplies these products to road and rail tunnel projects worldwide. In 2018, TROX Malaysia was awarded the Asian Export Award for its energy saving chilled beam solution. To enable business growth in the region TROX has established sales offices throughout Asia Pacific, whilst continuing to expand and upgrade the Seremban facility with a recent MYR 8.0 million investment.

TROX Malaysia extends its sincere appreciation to customers, business partners and staff of the company for their support and dedication and will celebrate this achievement with a series of events this year.
