TROX Care / company

On 7th of October TROX Care again drop a courtesy visit to Sekolah Kebangsaan Jenis Tamil, Ladang Chembong. This school was built in 1927 by British Malaya government, it is within 30 minutes drive from TROX Malaysia Sdn Bhd factory. This school is partially support by the Malaysian government at the moment. Now the school have 27 staffs including the headmaster, teachers and clerical staffs plus 141 students.

We contributed water cooler on 24th Feb 2016. This time we contributed 347 story and knowledge base books, snacks, games and stationaries to support the school. All TROX Malaysia Sdn Bhd staffs were involving in contributing the books. Others sponsor the snacks, games and stationaries.

We are planning to support this school as long term basis. The activities in the future could be repairing the canteen table, painting school building, repair school building and support or upgrade minor facilities.
